PROFESSIONAL EXPERIENCE

Partner (1984- 2003), President (2003- Present) – Johnston Litavski Limited (formerly Kentridge Johnston Limited)

Responsible for management of firm and quality of professional services to clients. Land use and environmental planning assignments undertaken for municipalities, provincial agencies, land development firms, industrial and retail firms, institutions, non-profit charities and resident groups.

Land use proposals developed and/or assessed, including comprehensive community plans, urban infill and redevelopment, brown field sites, large format retail development, urban area expansion, recreation/resort and rural and small settlements. Projects involve official plan amendments, secondary plans, draft plans of subdivision, zoning amendment, site plan approval, consent and minor variance applications.

Assess land use compatibility of encroaching sensitive land uses on behalf of major industrial clients (Kraft Foods, Lafarge Canada).

Provide review and direction of supporting technical studies and coordination of multi disciplinary consulting teams. Route, site selection and expropriation studies undertaken on behalf of provincial and municipal agencies.

Expert land use planning evidence presented to hearings of the Ontario Municipal Board, the Environmental Assessment Board and the Licence Appeal Tribunal.

Planner, Senior Planner - Marshall Macklin Monaghan Limited

1978 - 1984

Participated in planning projects throughout Ontario, including site selection studies, draft plans of subdivision, municipal official plans and zoning by-laws, land use and market feasibility reports, traffic impact studies and preparation of material for hearings of the Ontario Municipal Board.
